NEW MEMBER FACT SHEET

Facebook: Search for *Lake of the Woods Pickleball Club* and then request membership.

Website: <https://lowpickleballclub.net>

Discounted pickleball gear: Buy your gear at pickleballcentral.com and enter the code CRLOW at checkout for a 5% discount. Our club also receives a cumulative discount each time a member uses this code.

Ratings: All club members are rated using the USAPA rating system of 1 to 5. New members are given an initial rating based on their skills demonstrated during beginner classes or other sessions. As a player continues to improve, he or she may ask to be evaluated for a move up.

Court usage:

Six outdoor courts at Hollyfield Park are available from 7 AM – 11 PM each day. The gate code is provided when the amenity fee is paid. Courts 1, 2, and 3 are rated courts. The rating of the first player to sign up determines what the ratings of everyone else must be so that everyone's ratings are the same. This allows for competitive playing. Courts 4, 5, and 6 are "all-play" courts where individual ratings don't matter.

One indoor court inside the Community Center at Sweetbriar Park is available most weekdays and weekends. Each time slot has a designated rating group. Check SignUpGenius for the times. You must play in a rating group that matches or includes your individual club rating. In order that everyone has a chance to play during adverse weather, active signups are limited to two per person on the indoor court.

You must pay the amenity fee to play on any court at Lake of the Woods, payable at the Holcomb Building. Accompanied guests may play for \$5/day, payable at Security. Have your guests sign the waiver form available at Security or online at www.lowa.org/Amenities/Tennis-Courts
